

Classic 300 Manual Bandsaw

THE SEAL OF ASSURANCE

The Classic 300 steps the manual range up to 300 mm round and 300 x 300 mm square capacity on a heavier 600 kg frame. A 2 HP drive turns a 3760 x 27 x 0.9 mm blade at three speeds up to 70 m/min, with a high-efficiency bronze-wheel gearbox and self-centering vice for accurate cuts under heavy daily use. It is built for fabrication shops that have outgrown a smaller manual saw.
