

# Swivel VM 300 Mitre Bandsaw

THE SEAL OF ASSURANCE

The Swivel 300 (Swivel VM 300) is a swing-type manual mitre bandsaw cutting up to 300 mm round, with a 200 x 200 mm capacity at 45 degrees. A 2 HP motor and 3760 x 27 x 0.9 mm blade give it the reach for larger angled work than the Swivel 225. It is aimed at fabrication shops producing structural frames and mitred sections.

## SPECIFICATIONS
